Re: State Farm vs. Jules Francis Parisien., et al, 18-cv-00289,
E.D.N.Y.

Dear Judge Tiscione:

My firm represents defendants Maiga Products Corporation, Madison Products of USA, Inc., Quality Custom Medical Supply, Inc., Quality Health Supply Corp., Personal Home Care Products Corp., and AB Quality Health Supply Corp., (collectively "DME Defendants"), in the above-referenced matter.

We join with the Professional Defendants who seek a protective order/motion to quash discovery devices interposed by State Farm for, as applicable, the same reasons set forth in the letter motion submitted to this Court by Mark Furman, Esq., counsel to the Professional Defendants. We understand that the Court has cancelled the hearing scheduled for May 18, 2017 and calendared it instead for May 25, 2018. I expect at that time.

Respectfully,

s/ Andrew S. Fisher
